HARVEST FESTIVAL

Harvest Festival postponed, not cancelled. We still need a lot of help!

The Harvest Festival is one week away (10/22/16) and your help is needed to make the magic happen for our students. Please sign up today for a shift at a game or booth. Online sign-up is available at http://gardnerschoolpto.ivolunteer.com/harvest_festival. There are many, many 30 minute shifts still needing an operator.

Please contact Ginger at gingerlader@gmail.com to coordinate drop off of loaned or donated items.

Thank you for coming together to make this community event successful!

~ Aly, Carly & Ginger

MISCELLANEOUS

- *Do you have a gifted child? Even gifted kiddos need these things to succeed: [Read Here](#)*
- Why kindness in school **AND** home can lead to less bullying and happier children: [Read Here](#)
- Are you interested in helping those that are less fortunate? We have some families in our own Gardner Community that have many challenges, and with that, it was suggested that maybe we start a "Community Fund". Families could donate gas cards, food certificates/cards, clothing, or gift cards, and I could help to oversee that our own families are taken care of. Shoot me an email if you have some thoughts and ideas about this! I love the notion of helping our own families!
- *School Pictures are here! Check your child's cubby if you don't get them from his/her teacher*
