“Faith is taking the first step even when you don’t see the whole staircase” MLK Jr.

If you have NOT been to Alabama and experienced the Civil War, Civil Rights, Human Rights, and Women’s Rights History, then I have to say, you are missing out. What an amazing, heart wrenching, hero filled and phenomenal lessons of love, life, loss, courage and much more. Our children have been touched forever and I hope they continue to bring up the fight for ALL people, ALL the time. Wow.
